BONDURANT REUNION
FOR ALL DESCENDANTS OF JEAN PIERRE BONDURANT

On Sunday, June 21, 1987, at 2 P. M. there will be a gathering of all interested descendants of Jean Pierre Bondurant at the Huguenot Society, Founder of Manakin in the Colony of Virginia building. This building is behind the present Episcopal Church on the Huguenot Trail(#711), close to #607. If you are coming out of Richmond, you can take #675, Robious Rd. which will become #711, or you can take #607, Huguenot Springs Rd. off of #60 which will end #711, turn left. The church is on your left. See map below. Both the church and grave site are marked. The grave site is at the end of VA 1217, Birdsong Land off of #615(Three Bridge Lane). The grave site is 25-30 feet from end of Birdsong lane. Just remember both the church and grave site are SOUTH OF THE JAMES RIVER.

There will be a meeting at the church to discuss what we are going to do with the grave site of Jean Pierre Bondurant and to see if there is enough interest shown to form a Bondurant Association.

After the meeting at the old church building, the group will go to the grave site of Jean Pierre Bondurant. Below is a picture taken in June 1985 of the grave site. There is a fence in the trees and weeds around the grave site.

Below is a form that we would like for you to return with your contribution to "Bondurant Restoration Fund" if you don't plan to be at the meeting in June. Your cooperation would be appreciated if you would either pass on this information to others who are of the Bondurant family or get their name on the mailing list.

Send your contributions and any names, or questions to:

LATEST INFORMATION

Mary Epling of Huddleston, VA is the co-chairman of this effort, and had thought that she had gotten premission from the Colony Co. to have access to the grave site from the road. Now the Colony Co., who own the property, now tell us that we will have to get permission from the new owner when they sell the lot, OR WE CAN BUY THE LOT! The asking price is \$6,000. If I understand her right we can do what we want with the land enclosed in the fence only. Hope to have more

information on this by June. What are your thoughts on this? If you would like to have other newsletters, let me know by writing and sending a stamped self addressed envelope.

Hope to see you all in Virginia on June 21.
