BONDURANTS VISIT ATHENS, GA
October 16-17, 2009
by Marcelle Bondurant Hoffman, President-elect

I am thrilled to be the President of the Association for the next two years. We have an exciting year ahead of us with new and ongoing projects.

We had a very successful meeting this year in Athens, GA, with some new attendees. Our hostess was Mary Bondurant Warren and her family. Our site was perfect. We had a wonderful meeting room with family exhibits lining three walls. They included photographic presentations from the Bondurant lands in France before 1700 to the present genealogy lineages. Everyone's work was excellent and it took a lot of effort to make and transport these projects to Athens. Thank you, Mary, Eve, Amy and Lisa.

Clint gave a fabulous PowerPoint presentation on "Gathering Information from Military Records." He included photos from many of our ancestors, and photos of some of the military planes. Clint also gave all the attendees the book "Military Service Records at the National Archives," as well as a handout on using military records. His talk was very informative, and provided another way to verify family information.

Clint, we hope to hear from you again in the future. Thank you!

Eve Mayes and Amy Sanders gave their first PowerPoint presentation on the ongoing "Bondurant Family DNA Project." We are very excited about this new adventure. They have worked tirelessly on this project, and results are very interesting with respect to the matching of our family relationships. They discussed the ease of performing the DNA tests. They want to continue to expand the project to include as many family members as can take the test. They provided a handout showing results to date, and names of labs providing the DNA testing.

We applaud their effort with this important contribution to our familial history.

Mary Bondurant Warren brought her new books to the meeting: "The Bondurants of America - Ann Tanner's Ancestors" and "The Bondurants of America - Jean Pierre and Ann." These are

a “must read” for our meeting next year.

An ad was placed in Facebook with our internet address to attract more members. We now also have a corresponding Facebook page titled “Bondurant Family Association.” We hope this will not only attract a younger audience, but also encourage more persons to join the BFA.

In October 2010 we will be visiting the lands of Jean Pierre Bondurant and his wife Ann Tanner near Petersburg, VA. This will be a new meeting site for our family. Ann’s family was researched by Mary Warren, Ruby Smith, and Mary’s daughter Amy Sanders.

I am excited about this meeting venue for next year. We hope it will include Henricus Historical

Park. Petersburg also has other historical opportunities for those who would like to arrive earlier or stay late. The Battersea Mansion, Blandford Church, the Siege Museum, and many Civil War sites are located nearby. Visit the Petersburg website for more information: <http://www.petersburg-va.org>.

Finally, I bid you all a wonderful holiday season with your families.

Marcelle

THE BONDURANT FAMILY ASSOCIATION ANNUAL BUSINESS MEETING

October 16-17, 2009, Georgia Center for Continuing Education

Athens, Georgia

by Mary Bondurant Lanier, Secretary-elect

The annual meeting of the Bondurant Family Association began on Friday evening with a casual gathering in a conference room for “Meet Your Kin.” An interesting and informative display of memorabilia and photographs about our family history were shared and enjoyed.

On Saturday morning, Oct. 17th, family members shared breakfast in the Bistro Cafeteria of the Center. At 9 o’clock, in the conference room, a welcome and introductions were lead by Co-presidents Carroll and Ginny Wray, following attendees’ registration for the BFA meeting.

At 9:30 Clint Bondurant gave a presentation on how the use of military records can help our Bondurant family learn more about our ancestors. A guide book and other helpful material was available, as a way to utilize records, documents, and forms as resource tools.

After a short break, at 11:00 Eve Mayes and Amy Sanders reported on the Bondurant DNA project, lines which have been established, and how to get DNA testing. At noon members and guests enjoyed a family luncheon downstairs in the dining room.

The formal business meeting began at 2 o’clock, called to order by Co-president Ginny Wray. Members were welcomed, and the meeting opened with a prayer.

Minutes of the 2008 meeting at Midlothian, VA, were read by Mary Bondurant Lanier, in the absence of Secretary Sharon Kingen. Minutes were approved as read.

Treasurer Jack Bondurant gave a report of our current membership, and the balance in the BFA checking account. The report was approved. Jack noted that we need a vote to continue an annual payment to the ladies who maintain the gravesite of Jean Pierre and Ann Bondurant, as voted on at last year’s meeting. The Treasurer’s report is attached.

The nomination and election of the slate of officers was held. Members voted for the following officers of the Bondurant Family Association for 2010-2011

THE BONDURANT FAMILY ASSOCIATION

PRESIDENT - Marcelle Bondurant Hoffman
VICE-PRESIDENT - Wayne Brown
SECRETARY - Mary Bondurant Lanier
TREASURER - Amy Warren Sanders
NEWSLETTER EDITOR - Mary Bondurant Warren
WEBMASTER - David W. Bondurant.

Old Business: Attendees voted to continue to donate \$150 to the ladies who maintain the gravesite of Jean Pierre and Ann Bondurant. Members were encouraged to try ways of recruiting new members. Some suggestions were to make a call to former members and other relatives, or give memberships to family as a gift.

A statement of mission and vision was discussed and goals for BFA in the future. A location for next year's BFA meeting was suggested, and discussed. Location in Virginia for 2010 was in the Petersburg area, and a James River tour with vans was suggested. Details will be published in later BFA newsletters.

Closing remarks by our Co-presidents the Wrays. Ginny expressed how good it had been to work with this group of members and officers. She praised the work of the BFA members, and the meeting adjourned at 3 P.M.

EXECUTIVE COMMITTEE MEETING: Members of the Executive Committee met immediately following the annual meeting in order to review the 2009 meeting and plan for 2010.

Present were Carroll and Ginny Wray, Jack Bondurant, Amy Sanders, Mary Warren, Marcelle Hoffman, and Mary Lanier. The board members agreed that the 2010 meeting be held in or around Petersburg, VA. Mary Warren will scout out possibilities, and cost of rental vans for a tour. The location for meals and other details will be decided upon getting more information.

An inquiry into the location of the BFA Banner was brought before the committee. It was last remembered at the 2002 meeting in Abingdon, VA. Carroll Wray offered a suggestion to have a new banner made. The appointment of a publicity person to put out BFA information to new and potential members was discussed, and Vice President-elect Wayne Brown will be contacted to take this role.

The board meeting was adjourned at 3:30 P.M.

Respectfully submitted,
Mary B. Lanier, Secretary

THE BONDURANT FAMILY ASSOCIATION

On a more somber note, this meeting will be my last as your treasurer. It has been a real pleasure serving the Association for the last 15 years but Father Time is fast catching up with me. Maybe I should quit while I am ahead.

Respectfully submitted,
Jack Bondurant, Treasurer.

Project Coordinators: Amy W. Sanders - amymws@aol.com and Eve B. Mayes - ebmayes@windstream.net (cell phone 706/202-5944).

Thanks to all of you who have already participated in this project. In order to build a more definitive database to prove family connections, and establish kinship between documented lineages, **we need more participants.**

We have learned a lot about what the Y-DNA tests can and cannot do over the past year! If you had a 12 or 27 marker basic Y-DNA test done last fall, you may be able to order more definitive testing using your original sample to expand to 67 markers. To our surprise we found that several Bondurant men had identical 37 marker tests, even though they were (at best) distantly related. For this reason we are asking that male Bondurants test with the 46 or 67 marker tests.

Presently only 1 male descendant of Dr. Joseph Bondurant has tested; we need several more of his kinsmen to better establish Dr. Joseph's profile. No one we know of in the Association, or out, has proved their descent from Peter Bondurant, Jean Pierre's third son. So with the exception of Charles E. Bondurant's test, the remaining test results belong to descendants of John Bondurant, son of Jean Pierre.

Those men of you who descend from Joseph, please test, so that we may have a better profile for Joseph's descendants! Please share your results, and the source of your test with the project coordinators.

Why use mtDNA? The mtDNA (maternal DNA) test can be done on both men and women. This information discloses the geographic origin of your maternal line. A perfect match using mtDNA indicates a common ancestor in recent times. It would be helpful to have at least one full sequence mtDNA test for each family descending from Jean Pierre.

Posting your results online: Some DNA testing agencies will not allow you to post results from other companies' tests on their databases. There are several websites where you can post your results for free -- search online for "Free DNA Databases." Be aware that results from one company may be measured differently from another company, and require conversion in order to make an accurate comparison. We have the conversion information between ANCESTRY and FAMILY TREE DNA results so there is no need to order the special (and expensive) Y-DNA conversion kit from FTDNA (Family Tree DNA).

Protecting your privacy: Most DNA testing agencies are very careful with your DNA results, and require a signed release form for your results to be shared in their database. You can authorize them to allow other people who match your results to contact you, or you can remain anonymous.

For your own protection, we suggest setting up a separate free e-mail account with Yahoo.com, Google.com (gmail.com), or other web hosting sites, and use that e-mail address for your DNA genealogy correspondence, instead of your personal e-mail account.

Ken Thomas Suggests: In his Nov. 1, 2009 genealogical column in the *ATLANTA JOURNAL-CONSTITUTION*, he suggested giving a DNA test as a gift to help sort out the family lineage.

The *FAMILY TREE MAGAZINE*, Dec. 2009 issue, included an article "DNA Fact or Science Fiction" which "when read does provide good information on how DNA testing can help one in their genealogy. The article discusses the myth and truths of DNA testing, and lists 13 companies that do DNA testing, not all of which provide the same types of tests. A separate article lists 6 online DNA databases, including Ybase, at www.ybase.org where more than 10,000 unique

THE BONDURANT FAMILY ASSOCIATION

surname projects are based.” I went to Ybase.org and found a Bondurant report, but only 3 persons have so far participated.

NADINE NELL BONDURANT WILSON, born 13 Sept 1913, Kirksville, MO, died 20 May 2009, Arlington, VA. She was the daughter of William Pearl Bondurant (1886-1973) and Georgia Stokes (1889-1970) of MO, and the widow of George Merrill Wilson (1911-2006). Nadine and George enjoyed 68 years of marriage.

Survivors include children and spouses: G. Stephen and Carole Wilson (Festus, MO), Charlotte Koger and husband Sam LoPresto (East Lansing, MI), John and Pat Wilson (Athens, GA), Scott and Kathy Wilson (Arlington, VA), 10 grandchildren, and 11 great grandchildren. Her brother William "Bill" Bondurant, now 90, of Sedalia, MO, is her only surviving sibling.

Nadine trained as a teacher at Northeast MO State Teachers College, and received an M.A. from Northwestern Univ. She taught business and vocational classes in Milwaukee, and Falls Church, VA until retirement in 1978. The family was active in the Falls Church (VA) Presbyterian Church.

For many years Nadine Wilson was a member of BFA, and George came with her. Widowed, she attended our meetings until recently. Her sons John (and wife Pat) and Scott, and granddaughter Rachel were with us at the October meeting, and brought the sad news to us of her death.
