## JOIN US AT SALEM, VA, OCT. 25-27, 1991

Dear B.F.A. Members,

We greet all our cousins and kin in our Bondurant Family Association. 1991 has been an exciting year for us and we hope it has also been for you.

We as co-presidents are getting excited over our fall meeting which will be held on Friday, Saturday, and Sunday Oct. 25-27, at

**The Quality Inn, Salem, VA, on the outskirts of Roanoke.**

**It's located at I-81 exit 41 and Route 419, phone 703/562-1912.**

We feel this will be convenient for our members traveling by air or auto. The group room rates are \$56.20 per night, single or double. We will have complete meeting facilities on site and a buffet will be available (\$7.50 per person) on Saturday noon. **A meeting reservation form is on the back of this page; please use it to sign up for the Saturday luncheon.**

A block of rooms has been reserved for our members. Please state that you are with the BFA group when making reservations with the motel to get your discount.

Our get-acquainted party will be held on Friday night. Won't you bring your family pictures, letters, and memorabilia to share!

We look forward to meeting each of you in October.

**Sincerely, Carroll and Ginny Wray.**

**EDITOR'S NOTE:** We need your help in obtaining the census entries of all these Bondurant families to be included in the database.

Have you abstracted census entries for any of these families? Can you send us a copy? Thus we won't duplicate your work, and it will allow us to abstract others' entries.

If your library has censuses on microfilm, won't you give a few hours to expand our knowledge of the various Bondurant families. If you can help, please let me know. **Thanks!**

**BONDURANT CENSUS ENTRIES**

These entries came from the Accelerated Indexing Systems census indexes at UGA Library and Federal Records Center, East Point, GA - FRC. I searched only the southern states of AL, AR, FL, GA, KY, LA, MD, MS, MO, NC, SC, TN, TX, and VA. These indexes have many omissions and errors! "Blacks" or "colored" where shown are denoted @.

If the surname might possibly have been Bondurant (misspelled) the entry was copied.
